

**Gobierno de Reconciliación y Unidad Nacional
Unida Nicaragua Triunfa**

Managua, March 20, 2026

Her Excellency
Netumbo Nandi-Ndaitwah
President of the
Republic of Namibia
Windhoek

Sister and Friend President,

On behalf of the People and Government of Reconciliation and National Unity of the Republic of Nicaragua, and on our own behalf, we are honored to express our warmest congratulations to you, the brotherly people and government of the Republic of Namibia, on your National Day and the 36th anniversary of independence, this March 21.

On this significant historic date, we remember with deep respect the long and heroic struggle

of the Namibian people for their freedom, sovereignty, and self-determination.

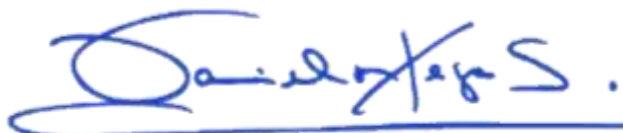

After decades of resistance against colonialism and the apartheid regime, and with the strong leadership of the SWAPO liberation movement and the sacrifice of generations of patriots, Namibia achieved independence, marking the birth of a free and sovereign nation.

Namibia is a historic victory for the peoples who fight for freedom, social justice, dignity, and the right to decide our own destiny. It is a symbol of hope for all nations in the Global South.

As we celebrate this important anniversary with you, we reiterate our brotherhood with the Namibian people, as well as our firm commitment to continue strengthening the bonds of friendship, solidarity, and cooperation

between our peoples and governments, inspired by the ideals of freedom, peace, and development.

From our Nicaragua, Forever Blessed and Forever Free, please receive our fraternal embrace, together with the affection and esteem of all Nicaraguans for the Brotherly People of Namibia.
