

**Gobierno de Reconciliación y Unidad Nacional
Unida Nicaragua Triunfa**

Managua, November 14, 2025

**Your Excellency
Compañero Mahmoud Abbas
President of the State of Palestine and
of the Palestinian National Authority**

**In the Name of God, the Merciful,
the Compassionate.**

Dear Brother President, Compañero, Friend,

**On behalf of the People and Government of
Reconciliation and National Unity of the Republic
of Nicaragua, and on our own behalf, we wish
to extend our most fervent and heartfelt
congratulations to you and to all the brave
Palestinian people on the anniversary of the
historic Declaration of Independence of Palestine
on November 15, 1988.**

This historic date reminds us of the living cry that echoes in the conscience of humanity, which cries out for justice, reaffirming the inalienable and irrevocable right of the Palestinian people to self-determination, freedom, and existence itself as a sovereign nation with its own borders.

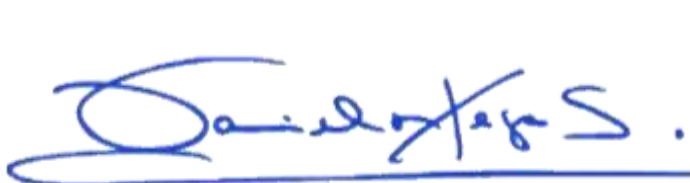

We commemorate this fundamental milestone that was erected, and remains, as a beacon of dignity and resistance in the face of the dark forces of occupation, colonization, and apartheid.

Brother Abu Mazen,

From our Nicaragua, forever blessed and forever free, we reaffirm our unwavering commitment to move forward united in this battle for justice, strengthening the eternal bonds of solidarity, cooperation, and brotherhood that have historically united our peoples and governments.

Dear brother, please accept our solidarity and fraternal embrace, along with the Nicaraguan people's enduring admiration and affection for the beloved Palestinian people.

May God's peace, mercy, and blessings be with you and with the noble people of Palestine.
