Dear Brother,

On the historic occasion of the 46<sup>th</sup> Anniversary of the Independence of the sister Republic of Zimbabwe, commemorated on April 18, we extend, on behalf of the People and Government of Reconciliation and National Unity of the Republic of Nicaragua and in our own name, our warmest and most fraternal congratulations to You, your Government, and the heroic Zimbabwean People.

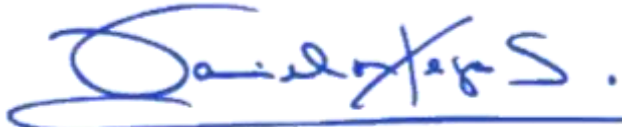

We recall with profound respect the glorious liberation struggle that culminated on April 18, 1980, following a prolonged and courageous

fight against the colonial regime of Southern Rhodesia. That victory, led by national liberation movements and historic figures such as Robert Mugabe, marked a milestone for Africa and for all peoples striving for self-determination, dignity, and justice.

From Nicaragua, we share with Zimbabwe a common history of resistance and triumph over oppression, as well as a steadfast commitment to the defense of sovereignty, independence, and the right of our peoples to determine their own destiny free from external interference.

We reaffirm our commitment to continue strengthening the historic bonds of brotherhood, solidarity, and cooperation that unite our peoples and governments, advancing together toward a more just, inclusive, and truly multipolar international order.

Please accept, Dear Brother, our fraternal,  
supportive, and revolutionary embrace from this  
Nicaragua, Always Blessed and Always Free.
