PRESS RELEASE

MINISTRY OF HEALTH

Coronavirus Situation as of 3rd March 2026,
10:00 a.m. Weekly Report.

During the current week, from 24th February to 3rd March 2026, there were no confirmed cases of COVID-19.

From the start of the pandemic until today, we have attended and provided Responsible and Careful Care to 16,825 persons.

People who have been receiving Responsible and Careful Care for COVID-19, have frequently had pre-existing conditions such as: arterial hypertension, diabetes mellitus, obesity, heart diseases, immunodeficiency syndrome, chronic kidney failure, a history of cerebrovascular disease,

pulmonary tuberculosis and chronic pulmonary diseases.

During the current week, there were NO deaths attributable to COVID-19.

To date, we have attained the recovery of 16,580 Nicaraguans.

We continue working on prevention and caring for our people, in God's Name!
