## PRESS RELEASE

### MINISTRY OF HEALTH

Coronavirus Situation as of 21<sup>st</sup> April 2026,  
10:00 a.m. Weekly Report.

During the current week, from 14<sup>th</sup> to 21<sup>st</sup> April  
2026, there were no confirmed cases of COVID-19.

From the start of the pandemic until today, we  
have attended and provided Responsible and  
Careful Care to 16,827 persons.

People who have been receiving Responsible and  
Careful Care for COVID-19, have frequently had  
pre-existing conditions such as: arterial  
hypertension, diabetes mellitus, obesity,  
heart diseases, immunodeficiency syndrome, chronic  
kidney failure, a history of cerebrovascular
